16 YEAR OLDS – AVERAGING AND PLAYING POLICY

For Junior A and B categories ONLY, the details of the policy was communicated to teams.

It is also available on the OHA website: **OHF/OHA 16 YEAR OLD AVERAGING PILOT**

It is imperative that 16 year olds registered with any Junior team, regardless of category, play a regular shift with their team. The OHA recognizes a regular shift as five, but not less than three shifts per period, based on 5 on 5 play. For goaltenders, a 16 year old should be playing at least 20% to 25% of regular season games.

The OHA has implemented a report system based on random visits to monitor the use of 16 year olds with member teams.

Priority on visits will be given to teams who have registered more than the allotment prescribed by the Canadian Development Policy (Junior A and B categories). Educational, emergency, discipline, and medical reasons are the only considerations on why a 16 year old may not be included in a team's game day lineup.
